PermobilConnect - User Consent

☐ I consent to the installation of the ConnectMe hardware at the time of manufacture. I understand this to mean that the ConnectMe hardware will be installed and ready to activate at the time of my receipt of the wheelchair and, once activated, will include the ability to monitor how my wheelchair is functioning while active, including the use of location data. I may withdraw my consent at any time by contacting my provider or Permobil directly.

☐ I give my consent to Permobil to contact me regarding the activation of my wheelchair for the purpose of providing support with the activation process.

☐ I do not want the MyPermobil hardware installed on my wheelchair. I understand that this means that I will not have the ability to use the MyPermobil functionality without having the hardware installed in the future.
