This QR code will take you to our website with detailed course listings and descriptions.

**All course completion requirements must be met to receive credits. Please remember that state requirements are constantly changing. It is ultimately the licensed medical professional's responsibility to determine if the CEUs are approved for their state/profession.*

The courses listed are appropriate for PT, PTA, OT, COTA, ATP, technicians.

Participation in any of our education events is no charge. To comply with federal anti-kickback regulations, any participant who completes the course attendance requirements and would like a CEU certificate will pay a \$15 fee at time they are completing their post-course assessment.
