Additional Order Instructions (for Permobil):

Notes & Comments (not for Permobil):

Chair Order Policy:

You are highly encouraged to contact Permobil Sales with ANY questions regarding proper completion of our order forms at 1-800-736-0925. The order cannot be processed without the following:

- The client's name or code and the client's weight
- The order form must also be signed by a person authorized by your company to acknowledge the items selected. Permobil is not responsible for configuration or size discrepancies resulting from customer errors on the order form.
- Order confirmations will be provided by Permobil summarizing the items selected. Please review this carefully.
- Once the order is shipped, any changes are subject to the returns policy and may be prohibited.

Order Acknowledgement:

I, _____, am an agent of the medical equipment provider named on this order form and I have the authority to contract for the purchase of powered wheelchairs and related parts on behalf of said provider. I acknowledge that I have reviewed this order and that it is complete and accurate to the best of my knowledge. I further acknowledge that any changes to this order after submission of this order form are subject to the returns policy and may carry additional charges.

Signed: _____

Printed Name: _____

Title: _____

Date: _____

NOTE: All specifications and prices are subject to change without notice. Please note that prices displayed are only valid if ordered with the wheelchair. Any parts ordered for service or future alterations will carry different pricing and warranty.

References

Section 1 | Hardware options

Compass 4 quick release

Compass 4 fixed

Compass power mount

Power mount hardware has 8" of height adjustment in ½" increments without using tools.

4-point

Section 2 | Accessories

Privacy shield

Provides coverage between the bottom of the back support to the seat base of their wheelchair. Attaches directly to the canes of a wheelchair.

Section 3 | BodiLink lateral trunk support hardware

GT2 mounting hardware, slot mount, swing-away

GT2 mounting hardware, slot mount, fixed
